# BECOMING A **CHANGEMAKER**

2 units | Tuesdays 10.00 - 12.00  
Spring 2022

**In a world that is rapidly changing before our eyes, learn to navigate, shape and lead positive change for yourself and others and gain leadership skills to thrive amidst uncertainty.**

## What You'll Learn:

- **Changemaker Mindset:** crucial traits and attributes for leading change, all of which are learnable, practicable and immediately applicable, including resilience, empathy, adaptability, courage and curiosity.
- **Changemaker Leadership:** skills to lead from wherever you are and to catalyze positive change for teams, companies and communities alike.
- **Changemaker Action:** with inspiration from diverse changemakers and guest speakers across sectors and roles, you'll create a hands-on changemaker project, applying everything you've learned in class to actually go lead positive change!

## About The Instructor:

Alex Budak dedicates his life to helping people from all walks of life become changemakers. He is a lecturer at Berkeley Haas where he created and teaches "Becoming a Changemaker," and is Faculty Director for The Berkeley Changemaker™ gateway course. A social entrepreneur at heart, he co-founded StartSomeGood.com, which has helped over 1,000 changemakers in 50 countries raise over \$12 Million to launch and scale new ventures. He's lived in LA, DC, Berlin, Ahmedabad, and Stockholm, and now calls the Bay Area home.
